## Product Portfolio – Pipes/Plates

	Grade	Characteristics	Application
Pipe buckle plate wall plate	KS-0335	Good heat stabilizer Good lubricity Good initial coloring property Dust-free Multi-function Multi-purpose High efficiency	PVC gusset, wallboard,etc
	KS-3160		PVC gusset, wallboard,etc
	KS-1030		PVC fastener, wallboard and other PVC pipes
	KS-033B		PVC drain pipe, threading pipe, profile etc
	KS-2865		PVC drain pipe, threading pipe, edgebanding etc
	KS-1023		PVC drain pipe, threading pipe,etc
	KS-016		PVC drain pipe, threading pipe, esin tile etc

## Product Portfolio - Foam

	Grade	Characteristics	Application
Foam	KS-1030C	Excellent thermal stability Good initial coloring Internal and external lubrication balance Good foaming effect	PVC foam board
	KA-601		PVC gusset, wallboard, etc
	KA-605		PVC fastener, wallboard and other PVC pipes
	KA-608		PVC drainage pipe, threading pipe, water supply pipe, etc
	KA-720		Foamed wood veneer. etc

## Product Portfolio - Profile

	Grade	Characteristics	Application
Profile	KA-101	Excellent thermal stability Good initial coloring Internal and external lubrication balance Good foaming effect	PVC doors and Windows profile, guardrail profile,etc
	KA-103		PVC foam profile
	KA-105		PVC doors and Windows profile, guardrail profile,etc
